

In the Bleak Midwinter

G. Holst

In the bleak mid-winter,
An- gels and arch- an- gels
What - can I give Him,

fros- ty wind made moan, Earth stood hard as i- ron, wa- ter like a stone;
may have ga- thered there, Che- ru- bim and se- raphim throng- - ed the air;
poor - as I am? If I were a shep- herd, I would bring a lamb;

Snow had fal- len, snow on snow, snow - on - snow, In the bleak mid-winter,
But His mo- ther on- - ly, in her mai- den bliss, Wor- shipped the be- lo- ved
If I were a Wise - Man, I would do my part; What - can I give Him:

long - - a- go.
on- ly with a kiss.
give - - my heart.
