

## I don't want to change

I wake up on the same time every day and feel melancholy  
I watch criminal news on TV every day and feel dreary  
I work in order to earn money every day, but feel trashy  
I only repeat the same thing many times every day, and feel empty

I like a new thing and I try it  
However, I've always failed it  
I am disgusted with tedious days  
There is no reason such as can explain to someone

I would like to make my life into wild style  
I would like to make my life into rough style  
But I don't want to change the world  
But I don't want to change my life

## I don't want to change (日本語訳)

毎日同じ時間に起きて、憂鬱な気分だ  
毎日 TV で犯罪のニュースばかり観ていて、退屈な気分だ  
毎日お金を稼ぐために働くが、くだらない  
毎日同じ事の繰り返しで、虚しさを感じる

新しいものが好きで、すぐに試してみる  
でも、いつも失敗する  
退屈な毎日とうんざりしている  
誰かに説明出来るような理由なんてないけど

ワイルドに生きてみたい  
荒々しく生きてみたい  
でも世界を変えたい訳じゃない  
自分の人生も変える気はない
